Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 4 items:

1. Schedule H4 supporting Line 21(a) of your report discloses a payment(s) for "Federal Withholding," "FICA Withholding," "State Withholding" and "SUI Taxes." Please be advised that pursuant to 11 CFR §300.33(c)(2), salaries and wages for employees who spend more than 25% of their compensated time in a given month on Federal election activity (FEA) or activities in connection with a Federal election must not be allocated between or among federal and non-federal accounts. Rather, only federal funds may be used. Further, the Commission concluded in Advisory Opinion 2003-11 that amounts spent for employee-specific "fringe benefits," consisting of health insurance, disability insurance, life insurance, retirement benefits and payroll taxes, fall into the category of compensated time.

2. Schedule H4 of your report discloses \$5,772.50 in payments for "Legal Services" to individuals. Please clarify whether these individuals are employees of your committee. If they are employees, please clarify whether this activity is for employees who spent 25% or less of their time during the month(s) referenced above on Federal election activity (FEA) or activities in connection with a Federal election. You are advised that pursuant to 11 CFR §300.33(c)(2), salaries and wages for employees who spend more than 25% of their compensated time in a given month on FEA

or activities in connection with a Federal election must not be allocated between or among federal, non-federal and Levin accounts. Rather, only federal funds may be used.

Any reimbursement from your committee's non-federal or Levin account for salary and wage payments for employees who spent more than 25% of their compensated time in a given month on FEA is not permissible and must be returned. Please provide clarification regarding these payments.

Please clarify whether this activity is for employees who spent 25% or less of their time during the month(s) referenced above on FEA or activities in connection with a Federal election. If this is not the case, any reimbursement from your committee's non-federal account for this payment is not permissible and must be returned. Although the Commission may take further legal action regarding any improper allocation activity, your prompt action will be taken into consideration.

3. Schedule H4 of your report discloses a payment(s) for "See Memo Items," "Data Purchase" and "Voter File CD Update," which are categorized as "Voter File 2008." Due to the special elections held on 11/6/07 and 12/11/07 in the 5th District of Ohio, the time period for Federal Election Activity is from 9/14/07 to 12/11/07. This is in addition to the 2008 Federal Election Activity time periods associated with the regular primary and general elections. Please be advised that 11 CFR §100.24(b) defines as Federal Election Activity, Voter identification, Generic Campaign and Get-out-the vote activities conducted in connection with an election in which one or more candidates for Federal office appear on the ballot. Furthermore, the costs for these types of Federal Election Activity must either be paid with federal funds or can be allocated between federal and Levin funds as long as the activity conducted does not refer to a clearly identified candidate for Federal office. It appears that you have allocated these costs between federal and non-federal funds. Any reimbursement from your committee's non-federal account for Federal Election Activity costs is not permissible and must be returned. 11 CFR §§300.32 and 300.33

Please inform the Commission of your corrective action immediately or provide clarifying information regarding this activity. Although the Commission may take further legal action regarding this apparent prohibited activity, your prompt action will be taken into consideration.

4. Please clarify all expenditures made for "Fundraising Consultant" on Schedule B. If a portion or all of these expenditures were made on behalf

of specifically identified federal candidates, this amount should be disclosed on Schedules B, E or F supporting Lines 23, 24 or 25 and include the amount, name, address and office sought by each candidate. 11 CFR §§104.3(b) and 106.1

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
